

Examination Grievance Redressal Cell

The function of the Examination Grievance Redressal Cell is to look into the complaints lodged by any student and judge its merit. Anyone with a genuine exam-related grievance may approach the department members in person, or consult with the respective faculty member. Exam-related grievances help the students to solve grievances related to the internal and university exam forms. The examination committee of the college looks into the matters related to the examinations at the internal and external levels by preparing the internal schedules, duty list of the teachers, and redressal of the grievances of students. The functions of the Committee are to look into the complaints lodged by any student and provide the solution accordingly.
