

DAY CARE CENTRE

The Institute for Education (IFE) has established a Day Care Centre within its campus to support the needs of students and staffs. The centre is equipped with a well-designed room, furnished with all essential facilities, play materials, and learning aids to ensure a safe, comfortable, and engaging environment for children. A dedicated and trained caretaker is appointed to look after the children of students and teachers with utmost care and responsibility. This facility reflects the institute's commitment to creating a supportive and inclusive campus environment, enabling parents to focus on their academic and professional responsibilities with peace of mind.
