

CENTRAL FACILITIES OF THE INSTITUTE FOR EDUCATION, SARAIKELA

(Under Educational and Social Development Trust – A Grade by NAAC)

(Proposed Autonomous College)

Affiliated to Kolhan University, Chaibasa

The Institute for Education, Saraikela, is committed to providing holistic academic, research, and personal development opportunities to students and staff. The Central Facilities are designed to support excellence in teaching, learning, research, and community service in line with the Institute's vision —

'तमसो मा ज्योतिर्गमय – Lead us from Darkness to Light.'

1. Central Library

- Fully automated library with digital access and barcode-based issue–return system.
- Over 10,000 books, including reference volumes, journals, and periodicals.
- Online access through DELNET, N-LIST, American Library, and Bharat Vani.
- Separate reading rooms for students and faculty with Wi-Fi connectivity.
- Subscription to national and international e-journals.

2. Central Computer Facility

- Four modern computer laboratories equipped with high-speed internet.
- Licensed software for teaching, research, and administrative purposes.
- Facilities for online examinations, e-learning, and digital training programs.
- ICT-enabled teaching classrooms and smart boards.

3. Language Laboratory

- Dedicated lab for language learning with audio-visual aids.
- Provided in English, Hindi, and regional languages (Ho, Santhali, Mundari).

- Enhances communication, pronunciation, and soft skills for employability.

4. Research and Development (R&D) Cell

- Promotes research culture among faculty and students.
- Provides support for minor research projects and interdisciplinary studies.
- Runs Institutional Publication House (with ISBN registration).
- Published three books and two more in process; publishes two ISSN journals.

5. Laboratories and Resource Centres

- Science Resource Centre, Psychology Lab, ICT Lab, and Art & Craft Resource Room.
- Practical training for B.Ed. and D.El.Ed. students with modern pedagogical tools.
- Well-equipped Teaching Learning Material (TLM) Production Unit.

6. E-Governance and Digital Facilities

- All admissions, fee payments, and administration are fully digitalized.
- Integrated Management Information System (MIS) ensures efficiency and transparency.
- Online feedback and grievance redressal systems available.

7. Health, Safety and Welfare Facilities

- Life Insurance and EPF for all staff members.
- 24×7 helpline and mobile number for women students.
- First-Aid Room with periodic medical check-up camps.
- Free bus transport for students and staff.
- Safe drinking water and hygienic cafeteria facilities.

8. Sports and Recreation

- Outdoor and indoor sports facilities for holistic student development.
- Annual sports meet and yoga sessions under International Yoga Day.
- Mushroom cultivation and vermicompost units as part of sustainable practices.

9. Women's Cell and Equal Opportunity Cell

- Active Women's Cell for protection and empowerment of girl students.
- Socio-Economically Disadvantaged Groups (SEDG) Cell ensures inclusivity.
- Counselling and skill training sessions for women's self-reliance.

10. NSS and Community Engagement

- Active National Service Scheme (NSS) unit involved in community work.
- Participates in Unnat Bharat Abhiyan and has adopted five villages.
- Awareness drives on health, sanitation, digital literacy, and environment.

11. Auditorium and Seminar Halls

- Multipurpose Auditorium with ICT facilities for conferences, seminars, and workshops.
- Regularly hosts national and international events, including the proposed International Conference (January 2026).

12. Placement and Career Guidance Cell

- Dedicated Employment Officer for career counselling and job placement.
- Collaboration with local industries and educational institutions.
- Personality development and skill enhancement programs conducted regularly.

The Central Facilities at the Institute for Education ensure a vibrant academic environment with a blend of modern infrastructure, digital systems, and social commitment. These facilities collectively nurture innovation, inclusivity, and excellence — reflecting the Institute's motto of transforming lives through quality education.
