

Publication Partnership Acknowledgment

Between

International Journal of Software Engineering and Computer Systems (IJSECS)

And

*International Conference on Artificial Intelligence-Research Trends, Emerging Technologies
and Opportunities (ICAI-RTETO)*

Organized by

Institute for Education, Saraikela, Jharkhand, India.

Purpose:

This Publication Partnership Acknowledgment establishes the agreement between IJSECS and ICAI-RTETO for the submission and publication of selected papers from ICAI-RTETO in IJSECS.

Terms of Collaboration:

1. Paper Submission:

- ICAI-RTETO agrees to submit a selection of papers presented at the conference to IJSECS for publication.
- IJSECS will review and publish the submitted papers according to its standards and policies.

2. Exclusivity:

- The papers submitted by ICAI-RTETO will be published exclusively in IJSECS.

Duration:

This agreement is effective upon the signatures of both parties and remains in effect until all selected papers have been published.

Paper Publication Schedule:

In conjunction with the collaboration between IJSECS and ICAI-RTETO, where ICAI-RTETO agrees to submit a selection of papers to IJSECS, the following publication schedule has been arranged:

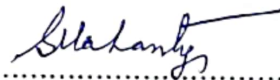

Year	Volume	Issue	Number of papers
2024	10	1	3
		2	3
2025	11	1	3
		2	3

Please note that, due to our paper policy, we can accept only three papers from the same country (across all affiliations) unless the submissions involve diverse affiliations from other countries. This policy ensures that we maintain a diverse representation of contributing countries in our publication.
