

Memorandum of Understanding

Subject: Green Institute Initiative

Date: 03/05/24

Parties:

- Institute for Education, Dugni. represented by Dr Sweety Sinha
- Koru Foundation, represented by Mr. Dipak Kr Soni

Objective:

- Establish a Zero Waste School Initiative to promote waste management and environmental awareness.

Responsibilities:

1. Recycle Station: Koru Foundation will help set up a Recycle Station with 6 bins, which the Institute will place in a designated, accessible area.
2. Training: Koru Foundation will provide teacher training and conduct one session a month with Eco Club students.
3. Resources: The institute will allocate necessary resources for the initiative, following recommendations from Koru Foundation.

Duration: Effective from signing date for 2 years, extendable upon mutual agreement.

Knowledge Partnership: Koru Foundation will offer expertise, resources, and support.

Confidentiality: Both Parties agree to maintain confidentiality regarding shared information.

Amendments: Any changes must be in writing and signed by both Parties.
