About Conference

The computer science will have transformative outcomes and substantial utility for the state of Jharkhand. Firstly, is will enhance the Knowledge and skills of educators, equipping them with contemporary teaching methodologies and cutting edge technological insights. Artificial Intelligence (AI) Research Trends, Emerging Technologies and opportunities:-This theme would aim to equip educators and researchers with the latest advancements and potential applications in the field of AI. The key component of Conference includes:

- Foundational concepts in AI: Machine Learning (ML)vs Deep Learning (DL).. Supervised vs Unsupervised Learning.
- Data Management: Best Practices for Data collection, Preprocessing and augmentation.
- Networking opportunities: Connecting with fellow researchers, industry experts and academic peers.
- Computer vision Tasks: Image recognition, object detection, and image generation. Machine
- Learning Projects: Practical sessions on developing and developing machine learning models.
- Artificial intelligence Enabled Adaptive assessment
- Ethical and responsible artificial intelligence use
- Equity and inclusion
- Collaboration and partnership
- Artificial Intelligence & cyber security
- Computational Intelligence Emerging application with Challenges Ahead.

Registration Fee

CATEGORY		INDIAN DELEGATES	FOREIGN DELEGATES
Academician	:	₹3500/-	$150/-
Industry Person	:	₹4000/-	$150/-
Student (Full time)	:	₹1500/-	$100/-
Attendees / Participating :		₹1000/-	$50/-

Notes : Registration Fee Inclusive of 18% Gst

About The Institute

INSTITUTE FOR EDUCATION (A Unit of Educational and Social Development) is one of the leading institution in Seraikella- Kharsawan district of Jharkhand which comes under IXth schedule of constitution. It is the First B.Ed. college that is creating a milestone by providing education to the children of rural areas.

It started with B.Ed. college in 2014, and since then it has been trying to provide different courses like Bachelor of Computer Application (BCA), Bachelor of Business Administration, Diploma Elementary Education and many short-term courses. In Short Term courses it is providing certificate and diploma courses such as Yoga, Beautician, Candle Making, Spoken English and Personality Development Course and Basic of Computers. Apart from this, it also offers different courses through Sikkim Manipal University which is an Academic Partner of Institute For Education. It also offers courses from Jharkhand State Open University as study centre of Jharkhand State Open university. Different computer courses, such as DOEACC and SAP, have been provided for the students not only for Kolhan region of jharkhand but also for the whole country.

INSTITUTE FOR EDUCATION not only equipped students through different courses but also provided 700 students with an authentic environment to inculcate and enhance the student's inherent potential and skills and providing them employability in different sectors . A dedicated group of student of NSS are actively participating in social work . Many courses are approved by NCTE, AICTE & Jharkhand Acadamic Council and affiliated by Kolhan University Chaibasa, Jharkhand (a Govt. University).

It has also conducted various National Seminars, Workshops and International Seminar to give in-hands- experiences to the students and teachers from all over world.

This institution is situated amidst the natural beauty of the countryside and the urban glamour of an industrial area of Seraikella-Kharsawan district. The flowing river and picturesque backdrop of low hills on one side and large tracks of forest on trolling campus are an ideal place for learning. It has been growing from strength to strength ever since it was established in 2014.

Seraikella-kharsawan is the district is situated between $22^0 29'26"$ and $23^0 09'34"$ north latitudes and $85^0 30'14"$ and $86^0 15'24"$ east longitudes is formerly the Princely States of the twenty-four districts of Jharkhand state in eastern India. Seraikela town is the district headquarters of Saraikela-Kharsawan district. The town is a road junction, an agricultural trade Centre and upcoming industrial center. The Nearest Airport is Ranchi and Sonari, JSR Airport.

It is situated between Jamshedpur and Chaibasa. Seraikela CD block with a total population of 79,507, and literacy 68.85%. It is well connected with Jamshedpur via land route. It is mainly a tribal belt. Saraikela is known for its Chhau dance is a unique amalgamation of Oriya and Ho tribal culture and has been approved by UNESCO in the year 2010 as intangible Heritage of India. There are many cultural places to visit which are enriched with historical stories.
