

MANOJ MAHATO

The B.Ed program not only prepared me to become a competent educator but also inspired me to be a lifelong learner and advocate for educational equity. The emphasis on inclusive practices and diverse learning environments has shaped my perspective on teaching and learning. I am excited to apply what I've learned to create meaningful experiences for my future students.

SUJATA PRADHAN

Choosing to pursue a B.Ed degree was one of the best decisions I've ever made. Throughout the program, I gained a thorough understanding of pedagogy, curriculum development, and classroom management. The hands-on teaching experiences allowed me to refine my skills and develop my own teaching style. I am grateful for the opportunities and mentorship provided by the faculty.

BHARTI KUMARI

One of the most rewarding aspects of the B.Ed program was the opportunity to collaborate with fellow students and experienced educators. Through group projects, peer feedback, and mentorship from faculty, I gained insights into different teaching approaches and pedagogical techniques. This collaborative environment enriched my learning experience and broadened my perspectives on education.

KUMARI SIMA

The B.Ed program not only focused on theoretical aspects but also emphasized practical application through internships and teaching practicums. These hands-on experiences were invaluable in bridging the gap between theory and practice, allowing me to develop real-world teaching skills and strategies that I can implement in my future classroom.

PRIYANKA HEMBROM

Its adaptable curriculum is designed to meet the evolving needs of 21st-century learners by integrating innovative technologies and promoting inclusivity. Students engage in courses that explore topics such as differentiated instruction, culturally responsive teaching, and universal design for learning, equipping them with the skills to create inclusive and accessible learning environments for all students.

RITA TOPNO

The B.Ed program offers a comprehensive approach to teacher training, immersing students in a variety of hands-on teaching experiences ranging from classroom observations to full teaching practicums. This experiential learning fosters collaboration among peers and educators, providing invaluable insights into diverse teaching methodologies and classroom management strategies.

SHUSMITA MAHATO

Studying B.Ed has been a transformative journey for me. The program not only equipped me with essential teaching skills but also instilled in me a deep understanding of educational theory and practice. I feel confident and prepared to make a positive impact in the lives of my future students.

BHAGYASHREE PRADHAN

As a graduate of the B.Ed program, I can confidently say that it has been one of the most rewarding experiences of my life. The coursework was comprehensive, the faculty was supportive, and the practical experiences in schools were invaluable. I am now ready to embark on my teaching career with passion and dedication.

SHIVRAM MAHATO

Completing the B.Ed program has been a transformative journey filled with challenges and growth. The program not only provided me with the necessary knowledge and skills to excel in the classroom but also fostered a sense of community among my peers. I am grateful for the support of my professors and classmates who have helped me become the educator I am today.
