## **2. Student Placement**

We prepare our student teacher for placement in school as teacher educator at the end of B.Ed Session. They learn the way of speaking/representing themselves in an interview. We focus on personality development of our student-teacher. We motivate our student-teacher for the competitive exams like CTET, STET. Micro teaching helps our student-teacher to build self confidence during the session. They learn future building of their students.

SL. No.	Name of the student	School	Year (2019-2023)
