Implementation Of Vision & Mission

IFE has vision of imparting quality-based research and training of teachers in the dimensions of curriculum planning and designing, pedagogy and evaluation blending with the promotion of social values human and environmental awareness through systematic strategies in both theory and practice for enabling them to train students for a welfare stack”

IFE Mission to attain higher levels of Academic Excellence, Access and Equity in the areas of teacher education by providing various productive, value based and quality-oriented teacher education programmes so that we can develop teachers with greater efficiency, transparency, accountability and responsiveness.

IFE share in the development of a knowledge based society in this part of the nation by encouraging and promoting research activities, material development and faculty improvement programme (FDP).The institution ensures to educate, train, guide and help teacher trainees in a more practical and logical fashion to develop various qualities and skills with an understanding of the aims and objectives of education in dealing with child's problem, towards teaching profession and broader outlook so as to excel in their profession.

The management of IFE provides all the facilities required to train the teachers as well as would be teachers to develop competency of teaching and Professional Consciousness with an understanding of the aims and objectives of education in the interest of the society nation and the world at large. They help the teacher trainees make able to use various strategies of teaching models, techniques, devices, methods, medias, effective communications and evaluation techniques.

It Also encourage and promote research activities, innovation, material development and other activities.
