ABOUT US : OVERVIEW

Vision

To emerge as a centre of excellence in higher education committed to quality teaching, research, innovation, and extension activities, empowering students — especially from socially and economically disadvantaged sections — to become enlightened, responsible, and self-reliant citizens of the nation.

Mission

1. To provide value-based, inclusive, and quality education that promotes critical thinking and lifelong learning.
2. To foster research, innovation, and entrepreneurial skills among students and faculty.
3. To ensure active participation of students in community development and social welfare programs.
4. To promote women empowerment, environmental consciousness, and cultural preservation.
5. To uphold transparency, accountability, and ethical practices in all institutional activities.

Motto

“तमसो मा ज्योतिर्गमय” — Lead us from darkness to light.

About the INSTITUTE FOR EDUCATION

Institute for Education, established in 2014 under the Educational and Social Development Trust, is one of the premier teacher education and multidisciplinary colleges of Jharkhand. The Institute has been accredited with an ‘A’ Grade by NAAC, reflecting its commitment to quality education, innovation, and holistic development.

The institution began its academic journey with the Bachelor of Education (B.Ed.) program, duly approved by the Eastern Regional Committee (ERC), NCTE. Subsequently, the Diploma in Elementary Education (D.El.Ed.) was introduced. Expanding its academic horizons, in 2024, the Institute added BBA and BCA programs, both approved by the All India Council for Technical Education (AICTE) and affiliated with Kolhan University.

In addition, the Institute offers six diploma and certificate courses aimed at promoting skill-based education and employability, including:

- Diploma in Yoga
- Computer Literacy Program
- Folk Music and Dance

- Doll Making
- Beautician Course
- Candle Making
- Many more courses with Adduce (Attribution to Information Technology) of the Institutions.

The Institute takes pride in maintaining a 100% student pass record, with several University Toppers emerging from its various programs every year. Followed NEP 2020 in the institution.

RESEARCH, INNOVATION AND PUBLICATIONS

To nurture a culture of research and innovation, the Institute has established a dedicated Research & Development Cell (R&D Cell). The Institution also runs its own Publication House with a registered ISBN number, which has already published three books, with two more in the pipeline. Moreover, the Institute publishes two ISSN-registered research journals, promoting academic writing and intellectual exchange among scholars.

SOCIAL RESPONSIBILITY AND COMMUNITY ENGAGEMENT

The Institute is actively engaged in community development through the National Service Scheme (NSS). It has been recognized under the Unnat Bharat Abhiyan (UBA) and has adopted five villages for rural development initiatives. Located in a Scheduled Area of the Government of India, the college serves students predominantly from socially and economically disadvantaged backgrounds (SC, ST, OBC, EWS), with special provisions for differently-abled learners.

More than 60% of the students are girls, and a 24/7 helpline number is available for their safety and support.

INFRASTRUCTURE AND FACILITIES

- The Institute for Education boasts of state-of-the-art infrastructure:
- Fully automated and digital library, linked with online resources such as DELNET, American Library, BharatVani, etc.
- Language Laboratory offering training in foreign, Indian, and local tribal languages like Ho, Santhali, and Mundari.
- Four well-equipped Computer Laboratories supporting all academic programs.
- Fully functional laboratories for science, psychology, and ICT.
- E-Governance system for transparent and paperless administration — all admissions, payments, and records are managed online.
- Free transportation (bus facility) for both students and staff.
- Life Insurance coverage for all students and staff members.
- EPF facility for every employee, ensuring financial security and welfare.

- Day care center for students and staffs.
- Many more facilities for students.

BEST PRACTICES

1. Women's Cell actively works for women's rights and empowerment.
2. Employment Cell ensures placement opportunities for outgoing students.
3. Mushroom Cultivation Unit and Vermicompost Production Unit are established as part of sustainable and eco-friendly practices.
4. Student participation in all statutory bodies, committees, and cells ensures inclusive governance.
5. Celebration of national festivals and important days such as Independence Day, Republic Day, Gandhi Jayanti, Science Day, Human Rights Day, Women's Day, and International Yoga Day, fostering patriotism, awareness, and social responsibility.

ACADEMIC AND CO-CURRICULAR EXCELLENCE

The Institute regularly organizes national seminars, workshops, and international conferences. It successfully hosted multiple academic events and is now preparing for an International Conference on 9th–10th January 2026, sponsored by the Jharkhand Council on Science and Technology (Proposed).

The Institute's students have actively participated and excelled in various university and inter-university competitions, showcasing talent in academics, sports, and cultural activities.

Furthermore, the Institute has applied for NCC enrollment; inspection has been completed by NCC officials, and final approval is awaited.

The Institute for Education stands today as a model of academic excellence, social commitment, and holistic development. With its dynamic leadership, dedicated faculty, and forward-looking vision, the Institute continues to contribute meaningfully to the educational

landscape of Jharkhand, empowering youth — especially from marginalized communities — to build a self-reliant, inclusive, and enlightened **society**.
