Anti-drug campaign and plantation drive at Institute for Education College

Mail News Service

Seraikela, August 13: Institute for Education College organized a significant anti-drug awareness campaign and a plantation drive under the banner "Ek Ped Maa Ke Naam." The campaign aimed to educate villagers about the harmful effects of drug use. Students and villagers pledged to abstain from drugs and promote a drug-free environment. College Treasurer Kinshuk Mohanty highlighted the campaign's goal of

fostering a drug-free society. Following the awareness program, students planted saplings dedicated to their mothers, symbolizing their commitment to environmental preservation.

College NSS Coordinator Om Prakash and other staff, including Shravani Mukherjee, Suman Kumari, Archana, Indu Kumari, Nisha Rani, Priyanka Kumari, Vandana Kumari, Madhuri Kumari, Nivedita Mandal, and Rashmi Sharma, actively participated in the event. (w/nkm)

Women empowerment program at Institute for Education College

Seraikela, August 24: The Institute for Education College hosted a Women Empowerment Program in collaboration with the Government of India. The event, chaired by Principal Dr. Mrs. Sweety Sinha, featured MTS Rashmi Singh Modak as the chief guest and Varuna Mahato, a lawyer, as the special guest. The program aimed to educate women on safeguarding themselves from domestic violence and societal crimes while providing guidance on accessing government and health-related protections.

The initiative highlighted a 100-day government program that offers in-home support for women in need. Varuna Mahato shared that if women are unsafe at home, the government provides temporary accommodation for up to five days. Assistance can also be requested by calling 181. The program covered various aspects of women empowerment to ensure their safety and rights. Principal Dr. Sinha emphasized the significance of the awareness program, underscoring its relevance in the current socio-political climate. (w/nkm)

AI lecture highlights second day of International Conference at Kolhan University

Mail News Service

Seraikela, Sep 27: The second day of the three-day international conference at the Institute for Education College, organized by Kolhan University, featured a significant lecture on Artificial Intelligence (AI).

The event welcomed esteemed guests, including NSS Coordinator Dr. Dara Singh Gupta, Principal of RVS Engineering College, Jamshedpur Professor Rajesh Tiwari, and Chief Editor of Jamshedpur Research Review Dr. Mithales Kumar Choubey.

Under the chairmanship of Professor Narayan C. Deb Nath from Eastern International University, Vietnam, the conference commenced with a vibrant display of traditional dance and music, followed by the presentation of bouquets, shawls, and mementos to the guests. Former Vice Chancellor of Kolhan University, Professor Shukla Mahanti, delivered the welcome address, setting the stage for insightful discussions.

In his keynote speech, Dr. Dara Singh Gupta emphasized the essential role of AI in shaping the future but cautioned against potential risks. "AI has definitely

Public School, warned, "AI created by science can put humans in trouble in the future, so caution must be taken, and we should not depend completely on it."

Professor Rajesh Tiwari highlighted the benefits of AI in enhancing knowledge and its future applications. The conference also featured presentations from various researchers and professors, including Dr. Surya Narayan Rath from CPIS Orissa University of Agriculture and Technology, Ms. Bhavana Kumari of Ranchi University, Harshit Kumar from RVS Engineering College, Jyoti Kumar of Magadh University, Bodhgaya, and Dr. Richa Panda from MGM Hospital, Jamshedpur.

The event concluded with a vote of thanks delivered by Priyanka Kumari, and was attended by college director R.N. Mahanti, Principal Dr. Sweety Sinha, Treasurer Kinshuk Mahanti, along with numerous students and faculty members, marking a successful day of discourse on the future of AI. (w/nkm)

Poshan Maah Abhiyan concludes at Institute for Education College

Mail News Service

Seraikela, Oct 1: The Institute for Education College successfully concluded its Poshan Maah Abhiyan on Tuesday, focusing on nutrition awareness among women and adolescents. The month-long campaign aimed to educate participants about the significance of nutrition and proper dietary practices.

Principal Dr. Sweety Sinha noted that various activities were conducted, including a nutrition rally, nutrition oath, haemoglobin tests, and a community awareness campaign. A special emphasis was placed on educating pregnant women about their dietary needs, and necessary medicines were distributed to attendees.

The closing ceremony saw the involvement of various college members, including NSS Circle Officer Om Prakash and Director RN Mahanti, who praised the efforts made during the campaign. Through these initiatives, the college aimed to foster a healthier community by promoting knowledge and practices related to nutritious food. The success of the program reflects a commitment to improving public health standards in the region. (w/nkm)

Janjatiya Gaurav Diwas celebrated with a moving skit on Birsa Munda

Mail News Service

Seraikela, Nov 25: The Institute for Education College hosted a special program to commemorate Tribal Pride Day (Janjatiya Gaurav Diwas) in its auditorium. The event, attended

by faculty, students, and guests, highlighted the rich cultural heritage and sacrifices of the tribal community. Former Vice-Chancellor of Kolhan University, Dr. Shakti Mohanty, graced the occasion as the chief guest and inaugurated the program by

lighting the ceremonial lamp. The centerpiece of the celebration was a skit performed by Music Binuli and group. The performance brought to life the inspiring journey of Lord Birsa Munda, showcasing his pivotal role in the tribal society's

struggle for independence. The audience was moved by the portrayal of his courage and sacrifices, which left a lasting impression. In her address, Dr. Mohanty praised the efforts of the college in preserving and promoting tribal culture. College Director RN. Mohanty and Principal Dr. Sweety Sinha expressed their gratitude to the performers for presenting such a heartfelt depiction. Faculty members, including On Prakash, Shrawani Mukherjee, and Suman Kumari, were also present and contributed to the program's success. The event served as a tribute to the tribal community's enduring spirit and their invaluable contributions to India's heritage. (w/nkm)

Annual Sports Festival celebrated at Institute for Education College

Mail News Service

Seraikela, Dec 5: The Institute for Education College organized its Annual Sports Festival with great fanfare, bringing students together for a day of athletic events and camaraderie. The festival was inaugurated by the college's Director, R. N. Mohanty, who lit the ceremonial torch as the chief guest. The event was held under the guidance of Principal Dr. Sweety Sinha, who chaired the occasion.

The festival featured a variety of indoor and outdoor games, where students demonstrated their skills and competitive spirit. In the chess competition, Shivram Mahato secured the first position, followed by Anita Mahato in second place. In carrom, Sapna Karwa emerged victorious, with Meena Kumari and Chandan Mahato securing the second and third spots, respectively.

Outdoor games witnessed intense participation. In the 200-meter race, Sanju Tudu clinched the first position, while Kumari Priya and Beauty Deygam took the second and third places. In

the javelin throw, Mangal Soren bagged the top spot, followed by Satyajit Mahato and Ran Singh Munda. The shot put competition was dominated by Anil Singhdeev, with Mangal Soren and Avinash Bodra finishing second and third. The bullet spoon race brought a touch of fun, where Chhaya Rani Mahato emerged as the winner, followed by Bharti Kumari and Mamati Leyangi. The festival concluded with a prize distribution ceremony, where Director Mohanty and Principal Sinha awarded medals and trophies to the winners. "Sports teach discipline and teamwork, and such events inspire students to excel beyond academics," said Mohanty. (w/nkm)

Skill development seminar held at Institute for Education College

Mail News Service

Seraikella, Dec 10: A one-day seminar on skill development was held at the Institute for Education College, focusing on the importance of technology and computer education in today's world. The seminar, which took place in the college auditorium, was graced by Kinshuk Mahanty as the chief guest, with several experts participating as special guests.

These included Nikhil Sharma, AIT Expert from Vetering Digital Private Limited; Mukhtar Alam, Life Skill Coach; Nisha Pandey, SAP Expert; and ASSUSE Outreach Manager M Divya Rao.

The seminar aimed to highlight the significance of skill development, particularly through the use of Artificial Intelligence (AI) tools. Each guest speaker provided valuable insights into how AI can be

leveraged to make studies and work more efficient. The importance of computer education was emphasized, with the speakers explaining that in today's digital age, a routine is incomplete without knowledge of computers. They stressed that computers play a vital role in everything, from household tasks to professional environments, and therefore, computer education is essential for everyone.

The speakers concluded that acquiring knowledge of digital tools and technologies not only aids in academic pursuits but also enhances professional life, making it an indispensable skill for success in the modern world.

The seminar was well-received by students and faculty alike, providing them with valuable knowledge for personal and professional growth. (w/nkm)

Educational tour of CSIR NML by Institute for Education College students

Seraikella, Dec 11: Students from the Institute for Education College recently embarked on an educational tour to the Platinum Jubilee Expo of CSIR National

Metallurgical Laboratory (NML) in Jamshedpur, marking the 75th anniversary of the institute. The tour began with a welcome speech by NML Director Sandeep Chaudhary, who highlighted the laboratory's significant contributions to the metallurgical industry and its pivotal role in the development of India and Jharkhand. During the visit, the students were honored with plants, mementos, and shawls by the NML. The Director of NML also took the opportunity to welcome the Director of the Institute for

Education College, R N Mohanty, presenting him with a shawl and memento as a token of appreciation. The students received an in-depth overview of NML's history and achievements. They visited various laboratories where experts provided detailed information about chemical and heat treatments in metallurgy. Over 100 students participated in the educational tour, which was coordinated by Om Prakash, Suman Kumari, Priyanka Kumari, Nisha Rani, and Nishant Borkar. (w/nkm)

Faculty development program at Institute for Education College

Mail News Service

Seraikela, Jan 8: A faculty development program on the topic Teacher of Mental Health was organized at the Institute for Education College. The program aimed at enhancing the understanding of mental health issues and their significance in the education system.

Sachlata Sinha, the former Head of the Department of Psychology at Janshedpur Women's College and retired Principal of Graduate School College, was invited as the chief guest and keynote speaker for the event. She was welcomed in a traditional manner by the college students and honored with a plant and shawl.

In her address, Sinha emphasized the importance of keeping one's mind engaged and understanding the mental state of students. "While teaching, it is crucial to recognize the mental well-being of students so that studies do not seem like a burden," she stated. She also discussed methods of teaching in an artistic way to foster an engaging learning environment. (w/nkm)

World Hindi Day celebrated at Institute for Education College

Seraikela, Jan 10: The Institute for Education College in Seraikella celebrated World Hindi Day with enthusiasm. District Education Superintendent Kailash Mishra, who was the chief guest, inaugurated the event by lighting the lamp. In his speech, he emphasized the importance of Hindi as the "language of the heart" and encouraged the promotion of both the official and national languages. College director R.N. Mahanthly highlighted the respect and identity of Hindi, while Principal Dr. Sweety Sinha urged active participation in the development of the language. National Youth Day celebrated at Institute for Education College

Mail News Service

Seraikela, Jan 13: On the occasion of National Youth Day, which marks the birth anniversary of Swami Vivekananda, Institute for Education College celebrated the day with great enthusiasm.

The event was organized to honor the contributions of Swami Vivekananda, who is considered a role model for the youth of India, particularly for his emphasis on education, character building and social service.

During the event, students participated in various activities including a poster and rangoli competition, where they displayed their creativity while reflecting on Swami Vivekananda's ideals. The students took a pledge to

follow his teachings and dedicate themselves to the development of the nation.

Dr. Om Prakash, the coordinator of the event, expressed, "Swami Vivekananda's life and teachings inspire us to strive for greatness and contribute positively to society. Through such events, we hope to instill his values in the younger generation."

The event was attended by college officials including Director R. N. Mahanthly, Principal Dr. Sweety Sinha, and several faculty members, along with students. The celebration concluded with an inspiring message from the college management, urging everyone to live by the ideals set by Swami Vivekananda and contribute to the betterment of society. (w/nkm)

Institute for Education conducts linguistic survey and clothing distribution

Mail News Service

Seraikela, Jan 16: As part of the Government of India's "Uttam Bhumik Abhiyan," the Institute for Education College organized a linguistic survey and clothing distribution ceremony in the villages of Singhpur and Nawadhi, both adopted by the college. The program aimed to assess the linguistic landscape of these villages and promote education, especially in rural areas.

The event saw the active participation of Mukhya Sini Bopnai of Nawadhi, along with faculty members from the college, including NSS Nodal Officer Dr. Om

Prakash and department heads Shrawani Mukherjee (English), Suman Kumari (Hindi), Madhuri Kumari (Sanskrit), and Archana (Science). The survey gathered crucial

data on the educational needs of children and the awareness levels regarding languages, with a focus on Hindi and English alongside the villagers' mother tongue. The findings revealed a significant gap in education among the elderly, though women were found to be more educated and aware of educational opportunities. Dr. Om Prakash emphasized, "Through this survey, we aim to understand the challenges these villages face in terms of language proficiency and education. If the educated class and government focus more on these villages, we can inspire a better future for these communities." (w/nkm)

Teacher-parent dialogue held at Institute for Education College

Mail News Service

Seraikela, Jan 20: The Institute for Education College organized a Teacher-Parent Dialogue Program for the B.Ed students of the 2024-26 session in the college seminar auditorium. The event witnessed participation from teachers, parents and notable dignitaries, including the former Vice Chancellor of Kolhan University, Dr. Shukla Mahanthly, College Director RN Mahanthly and Principal Dr. Sweety Sinha.

Addressing the gathering, Dr. Shukla Mahanthly emphasized the significance of discipline in life and highlighted the crucial role of B.Ed students as future educators.

She urged students to complement their academic pursuits with skill development, computer proficiency

and a spirit of service. "Discipline and continuous learning are the pillars of a successful teaching career," she remarked.

Parents expressed their appreciation for the college's efforts, commending its commitment to providing quality education and facilities, even in a rural setting. They acknowledged the institution's com-

mendable role in promoting education through diverse programs such as D.El.Ed, BBA and BCA.

Teachers present at the event included Dr. Om Prakash, Shrawani Mukherjee, Suman Kumari, Indu Kumari, Dr. Vandana Kumari, Madhuri Kumari, Archana, Rashmi Sharma, Nishant Borkar, Payal Bala Khalko and MK Das. (w/nkm)

Workshop highlights benefits of Learning Management Systems

Mail News Service

Seraikela, Jan 22: A one-day workshop on Learning Management Systems (LMS) was held at the Institute for Education College, enlightening attendees about the transformative role of LMS in modern education. The event was graced by Infinite Net Solution Founder and CEO Man Mohan Mishra and Level 1 Programmer Abhishek.

"LMS simplifies education by

providing an online platform for teachers to create, manage and deliver courses," said Mishra. He elaborated on its benefits, including ease of making notes

and projects, saving time and improving learning outcomes. The workshop began with a traditional lamp-lighting ceremony by College Director

R.N. Mahanthly, Treasurer Kinshuk Mahanthly and Principal Dr. Sweety Sinha. Faculty members, including Dr. Om Prakash and Shrawani Mukherjee, actively participated.

Participants praised the practical insights shared during the session. "This workshop has made us realize the potential of LMS in enhancing the teaching-learning process," commented Dr. Vandana Kumari. (w/nkm)

One-day workshop on mushroom cultivation held

Seraikela, Jan 28: A one-day workshop on mushroom cultivation was organized at the Institute for Education College, aimed at educating students on low-cost, high-profit mushroom farming techniques. The session was led by trainer Dr. Vishwa Raj Lal and Sanjeev Kumar Mathur, who shared valuable insights on the practical aspects of mushroom cultivation.

The workshop focused on methods of cultivating mushrooms at home or in small spaces like rooms, making it accessible to anyone interested in self-employment. "Mushroom cultivation is an excellent way to generate income with minimal investment," Dr. Lal explained. "By maintaining the right temperature and using basic materials, anyone can start

their own mushroom farm." The workshop was attended by both students and teachers, including Om Prakash, Shrawani Mukherjee and Suman Kumari, who all found the session beneficial. Participants were encouraged to consider mushroom cultivation as a viable business option, especially in urban areas where space is limited.

The event demonstrated the potential of small-scale farming in contributing to local economies and individual livelihoods. (w/nkm)

Webinar emphasizes stress-free learning at IEC

Mail News Service

Seraikela, Feb 8: A one-day webinar on stress-free learning was organized at the Institute for Education College (IEC), where Miss Anasuya Banerjee from Keystone International School, Hyderabad, was invited as the chief guest. The program commenced with a welcome speech by college director RN Mahantny, followed by an introductory address by Principal Dr. Soweety Sinha. Speaking on the importance of creating a conducive learning environment, Miss Banerjee emphasized that students should be made to feel comfortable before being taught. "Children should not feel the burden of studying; rather, they should learn with a happy and

relaxed mindset," she said. She shared various methods to make the learning process more engaging and interactive, ensuring that students remain motivated and stress-free.

The webinar saw active participation from students and faculty members, including Om Prakash, Shrawani Mukherjee, Suman Kumari, Archana, Indu Kumari, Sikki Kumari, Dr. Vandana Kumari, Priyanka Kumari, Nisha Rani, Nivedita Mandal, Madhuri Kumari, MK Das, KK Dubey, Nishant

Borkar, Payal Bala Khalko and Sumer Anand Ika. The session concluded with an interactive discussion where teachers shared their experiences and students expressed their perspectives on learning challenges. The event highlighted the importance of innovative teaching techniques that prioritize student well-being and academic growth. It also reinforced the significance of mental health in education and the role of educators in fostering a positive learning environment. (w/nkm)

International Mother Language Day at Institute for Education College

Mail News Service

Seraikella, Feb 25: International Mother Language Day was celebrated with enthusiasm at Institute for Education College, aiming to promote linguistic and cultural diversity.

The event was inaugurated by College Director R.N. Mahanthy, Treasurer Kinshuk Mahanthy and Principal Dr. Sweety Sinha. Addressing the students, they emphasized the importance of preserving one's mother tongue and encouraging multilingualism. A speech and poetry recitation competition was organized, with students delivering passionate performances on the significance

of their native languages.

In the speech competition, Bharti Kumari secured first place, followed by Shivram in second and Jyoti Kumari in third. In the poetry recitation category, Sandhya Rani Sarangi won first prize, with Vinita and Rahul Jena securing second and third places, respectively. The winners were felicitated by the guests and Saraswati Pradhan

conducted the stage proceedings. The event saw participation from faculty members, including Dr. Om Prakash, Shravani Mukherjee, Indu Kumari, Dr. Vandana Kumari and others.

Speaking on the occasion, Principal Dr. Sweety Sinha stated, "Mother languages are our cultural identity and it is our duty to preserve and celebrate them." (w/nkm)

Science Day celebrated at Institute for Education College

Mail News Service

Seraikella, Feb 28: Institute for Education College marked National Science Day with enthusiasm, fostering scientific awareness among students. The event featured Principal Father Vincent Vinod Fernandes SJ of Loyola School as the chief guest, who was welcomed with traditional music, dance and a floral bouquet. He inaugurated the program with a ceremonial lamp lighting.

"The theme this year, 'Empowering Indian Youth for Global Leadership in Science and Innovation for Developed India,' highlights the role of young minds in shaping the future," said college Principal Dr. Sweety Sinha. A variety of competitions, including chart, model, quiz, speech, essay and PPT presentations, were organized. Medha Pandey secured first place in the chart competition, while Siddhant Pani won the model contest. Additionally, Neta Soy and

Himanshu Das were recognized for their curiosity and contributions to science. The event concluded with faculty members congratulating the students for their achievements, reinforcing the institution's commitment to fostering scientific curiosity and innovation. (w/nkm)

Preparations underway for Vikasit Bharat Yuva Sansad-2025

Seraikella, Mar 1: A meeting was held at Kashi Sahu College, Seraikella, under the chairmanship of Principal Dr. BK Sinha, to discuss the organization of "Vikasit Bharat Yuva Sansad-2025." The meeting was attended by National Service Scheme (NSS) Officer Manoj Mahato, District Youth Officer Kshitij, and NSS District Nodal Officer Dr. Om Prakash.

It was decided that a two-day district-level event would be held on March 10th and 11th.

Participants from East Singhbhum district will attend on March 10th, while those from Seraikella-Kharsawan district will participate on March 11th.

Youth aged 18 to 25 years can take part in the program by registering on the MY BHARAT PORTAL. As part of the selection process, registered participants must upload a one-minute video expressing their views on "What does Vikasit Bharat mean to you?" (w/nkm)

Women's Day celebration at Institute for Education College

Mail News Service

Seraikella, Mar 8: International Women's Day was celebrated at the Institute for Education College, where a rally was held to raise awareness about gender equality and women's rights. Led by Principal Dr. Sweety Sinha, teachers and students presented a memorandum to Superintendent of Police

Mukesh Kumar Lunayat. The memorandum highlighted key issues such as gender equality, the need for proper toilet facilities in government schools, the installation of sanitary napkin vending machines and the creation of hostels for working women. The group also requested better monitoring of women's safety and regular health check-ups. Superintendent

of Police Lunayat assured the delegation that all their concerns would be addressed. (w/nkm)

Institute for Education students raise awareness on drug abuse

Mail News Service

Seraikella, May 29: In line with directives from the Government of Jharkhand's Revenue and Disaster Management Department and Kolhan University, students of the Institute for Education College launched an impactful anti-addiction campaign. The initiative began with a workshop at the college, addressing the causes, consequences and solutions related to substance abuse. Faculty members and students pledged together to stay

away from intoxicants and encourage others to do the same. In the second phase, a rally was conducted from the college to Vijay village – a community adopted by the institution. Teachers and students actively participated, spreading

awareness on the harms of addiction. The team interacted with nearly 150 villagers across 30 households, educating them about the physical, mental and social effects of substance abuse. In the final stage, villagers were administered a collective

pledge to abstain from addiction. The campaign was guided by Dr. Om Prakash, Nodal Officer of the De-Addiction Cell, along with members Indu Kumari, Priyanka Kumari and Suman Kumari. The village head and health worker also supported the efforts.

Key contributors included professors Shravani Mukherjee, Nisha Rani, Rashmi Sharma and others, along with the full participation of students – all committed to building an addiction-free society. (w/nkm)

Seraikela, Sept 27: Students, trainees, and residents of Seraikela participated in a series of educational, skill development, and cultural programs across the city over the past week. Students of the Institute for Education College from the 2023-25 and 2024-26 sessions visited the Coin Museum in Sakeli for an educational tour. The event was organized under the guidance of Principal Dr. Sweety Sinha

and Coordinator Dr. Om Prakash, along with teachers Suman Kumari, Archana, Dr. Vandana Kumar, Dr. Sikki Kumari, Madhuri Kumar, and Rashmi Sharma. Principal Dr. Sinha emphasized that the museum serves as a living source of knowledge, providing insights into the cultures and histories of different eras. She noted that such visits enhance students' understanding and are complemented by college projects on related subjects. (W-pb)

Awareness on 'Healthy Women, Empowered Family' at Institute for Education College

Mail News Service

Seraikela, Sept 30: An awareness program under the nationwide campaign 'Healthy Women, Empowered Family' was organized at the Institute for Education College. The campaign, initiated by Prime Minister Narendra

Modi and launched by the Government of India, sought to promote women's health and family welfare. On this occasion, College Principal Dr. Sweety Sinha addressed the faculty, students and non-teaching staff sensitizing them to the objectives of the campaign. She explained that family welfare was closely linked to health protection, empowered women, better nutrition, regular exercise, mental health and personal hygiene.

Dr. Sinha highlighted that women's empowerment began with education, self-reliance, access to employment and active participation in decision-making processes. She emphasized that the campaign primarily focused on improving health outcomes for women, adolescent nutrition and children through activities such as immunization, child health care, nutrition awareness and hygiene promotion. "A healthy family is the foundation of a strong society and nation," she added.

Faculty members of the occasion included Dr. Om Prakash, Dr. Sikki Kumari, Dr. Vandana Kumar, Suman Kumari, Priyanka Kumari, Madhuri Kumar, Rashmi Sharma, Archana and Ankita Pradhan. (w/gsd)

Gandhi, Shastri Jayanti Celebrated at Institute for Education College

Mail News Service

Seraikela, Oct 3: The Institute for Education College celebrated the birth anniversaries of Mahatma Gandhi and former Prime Minister Lal Bahadur Shastri with great zeal. Principal Dr. Sweety Sinha inaugurated the program by garlanding the portraits of both leaders. Students delivered speeches on Gandhi's principles of truth, non-violence and simple living, while also highlighting the continued relevance of

Shastri's famous slogan, "Jai Jawan, Jai Kisan." A patriotic short play captivated the audience. In her address, Dr. Sinha urged students to adopt the values of simplicity, duty and truthfulness exemplified by Gandhi and Shastri. The program concluded with the national anthem. Teachers including Dr. Om Prakash, Dr. Vandana Kumar, Dr. Sikki Kumari, Suman Kumari, Shrawani Mukherjee, Indu Kumari, Priyanka Kumari and others were present. (w/gsd)

Self-defense workshop held at Institute for Education

Mail News Service

Seraikela, Oct 16: A one-day self-defense workshop was organized at the Institute for Education College, led by Rajesh Kumar, director of a local martial arts academy. The session provided students with practical techniques for personal safety and self-protection.

The event began with a welcome address by Shambhu Shankar, followed by demonstrations and training from the martial arts team. Participants were taught that agility, coordination, mental focus and self-control can help women defend themselves even in challenging situations. Students, including

Vanita, Lakshmi Banra, Shabnam, Beauty, Ankit, Shekhar, Dinesh and Abdul, actively participated by asking questions and learning martial arts tips. College principal Dr. Sweety Sinha, coordinator Dr. Om Prakash and faculty members Dr.

Vandana Kumar, Dr. Sikki Kumari, Shrawni Mukherjee, Archana, Indu Kumari, Suman Kumari, Madhuri Kumar, Rashmi Sharma, Priyanka Kumari, Nisha Rani, Shweta Ranjan and Ankita Pradhan were present to oversee the workshop. (w/nkm)

सुदूर ग्रामीण इलाके में आदिवासियों के बीच शिक्षा का अलख जगा रहे हैं डॉ आरएन महांती

रिटायरमेंट, जिंदगी का एक ऐसा मोड़ है, जहां कई लोग मान लेते हैं कि अब कुछ नहीं किया जा सकता. वहीं, हमारे आसपास ऐसे लोग भी हैं, जो अपने बुलंद होखलों से न सिर्फ उठा को मत दे रहे हैं, बल्कि अपने काम के जरिये समाज में जागृति लाकर गिरांतर सक्रिय रहने का भी संदेश दे रहे हैं. आज का सेकेंड इनिंग कॉलम ऐसे ही सेवानिवृत्त आइएएस अधिकारी डॉ आरएन महांती के गिरांतर काम को समर्पित है, जो नौकरी के बाद भी दूसरे लोगों के लिए प्रेरणा बने हैं. **संदीप सावर्ण की रिपोर्ट.**

डॉ आरएन महांती इन दिनों सरायकेला खरसावा जिले के अनुसूचित जाति-अनुसूचित जनजाति बहुल इलाके में शिक्षा का अलख जगा रहे हैं. वे न सिर्फ आदिवासी छात्र-छात्राओं के बीच किरफायती शिक्षा उपलब्ध करवा रहे हैं; बल्कि दुगनी व आसपास के लोगों में राज्य व केंद्र सरकार की विभिन्न योजनाओं की जानकारी देने के साथ उक्त योजनाओं का लाभ उन्हें कैसे मिले, इसके प्रति उन्हें जागरूक कर रहे

डॉ आरएन महांती, रिटायर्ड आइएएस अधिकारी

हैं. डॉ महांती बताते हैं कि सालाना करीब 500 से अधिक ग्रामीणों को सरकारी योजनाओं का लाभ दिला रहे हैं. उन्हें मईयां सम्मान योजना, अबुआ आवास योजना, सुकन्या समृद्धि योजना, विभिन्न प्रकार की छात्रवृत्ति योजनाओं के साथ ही पीएम आवास योजना, किसान सम्मान योजना जैसी योजनाओं का लाभ कैसे मिले, इसके लिए सभी को जागरूक करने के साथ ही कैंप लगा कर उन योजनाओं का लाभ दिलवा रहे हैं. **राजस्व परिषद के सचिव पद से हुए रिटायर:** डॉ आरएन महांती बताते हैं कि 31 जनवरी 2012 को वे राजस्व परिषद के सचिव के पद से रिटायर हुए. इससे पूर्व वे आयडा के एमडी, गवर्नर हाउस में ज्वाइंट सेक्रेटरी

जैसे पदों पर भी अपनी सेवा दे चुके हैं. उन्होंने पटना साइंस कॉलेज से 1972 बैच में एमएससी किया. प्रो. रामजतन सिन्हा समेत करीब 10 आइएएस-आइपीएस उनके सहपाठी रह चुके हैं. डॉ महांती ने कहा कि रिटायरमेंट से पूर्व ही उन्होंने यह तय कर लिया था कि वे घर में नहीं बैठेंगे. यही कारण था कि 2012 में एजुकेशन एंड सोशल डेवलपमेंट संस्था की स्थापना की और एनसीटीई से बीएड कॉलेज स्थापित करने की स्वीकृति मांगी. दो साल के बाद 2014 में एनसीटीई ने स्वीकृति प्रदान की. उसके बाद इंस्टीट्यूट फॉर एजुकेशन के तहत हर साल 100 विद्यार्थियों को बीएड की पढ़ाई करवाई जा रही है. वहीं, 2018 में डीएलएड की स्वीकृति मिली.

Mr. R.N. Mahanty (Director of IFE) enlightened the Tribal through Education in Rural India.

केयू में पूर्व गणतंत्र दिवस परेड को 16 चयनित

जमशेदपुर, मुख्य संवाददाता। राष्ट्रीय सेवा योजना (एनएसएस) कोल्हान विश्वविद्यालय के तत्वावधान में 6 सितंबर को महिला कॉलेज चाईबासा में विश्वविद्यालय स्तर पर पूर्व गणतंत्र दिवस परेड शिविर का आयोजन किया गया।

इस अवसर पर 17 महाविद्यालयों के 70 स्वयंसेवक व स्वयंसेविकाओं ने दौड़, परेड, कर्मांड, नृत्य, संगीत और प्रश्नोत्तरी जैसी प्रतियोगिताओं में प्रतिभा का प्रदर्शन किया।

चयन प्रक्रिया में 12 जनों का पैनल गठित किया गया था, जिसमें 174 बटालियन सीआरपीएफ, चाईबासा के कर्मांडेंट मनोज डांग व उनकी टीम की महत्वपूर्ण भूमिका रही। चयन प्रक्रिया के आधार पर 8 पुरुष और 8 महिला

Lighting of lamp - One Day International Workshop on Advanced Computing Concepts

International workshop on advanced computing held

Mail News Service

Seraikela, Feb 10: A one-day international workshop on advanced computing concepts was organized at the Institute for Education College. The keynote speaker, Dr. Prabhat Mahanthy from the Department of Computer Science, University of Newborn Sick, Canada, was welcomed with traditional dance and music.

The workshop was inaugurated with a lamp-lighting ceremony, followed by the felicitation of Dr. Mahanthy with a bouquet, shawl

and memento. The event began with a welcome speech by college director R.N. Mahanthy and an introduction by former Vice Chancellor Dr. Shukla Mahanthy.

Dr. Prabhat Mahanthy elaborated on advanced computing technologies, high-performance computing and the role of computers in saving time and enhancing effi-

ciency. His insights provided students with a deeper understanding of modern computing applications. The event saw participation from students and faculty members, including Dr. Om Prakash, Dr. Sweety Sinha, Dr. Vandana Kumari and others. The session was moderated by Ms. Nisha Rani, while the vote of thanks was delivered by Nishant Borkar. The workshop successfully broadened the knowledge base of students and faculty regarding cutting-edge computing advancements. (w/nkm)
